# Frequently asked questions

## **How much is my quarterly Wellness Benefits Card amount?**

The amount depends on your Arkansas Blue Medicare plan. Refer to your Evidence of Coverage (EOC) or call the toll-free number on the back of your member ID card. Your benefit funds will be loaded onto your Wellness Benefits Card at the start of every calendar quarter (January 1, April 1, July 1 & October 1).

## **Do unused benefit funds expire at the end of each calendar quarter or do they roll over to the next calendar quarter?**

Unused funds expire at the end of each calendar quarter (March 31, June 30, September 30 & December 31).

## **How do I track the balance of my benefit funds & when they expire?**

1. At Walmart.com or via the Walmart app.
  - a. Add your card to your Walmart account.
  - b. Once added, you'll be able to view balance & fund expiration dates using one of three ways:
    - i. In your Walmart account, where the card is saved.
    - ii. At Walmart.com/WellnessBenefits, when your card is saved to your account.
    - iii. During checkout, select "Edit Payment" to view funds that are being used & funds remaining.
2. You can also call the number listed on this page to retrieve your card balance.

## **Will I always pay the price shown in the catalog?**

Due to the potential for price fluctuations, online & in-store pricing may not be the same as the prices listed in this benefit guide & catalog. Mail & phone orders will be charged the Walmart.com price.

## **Can my benefit funds be used to cover the cost of shipping?**

Shipping & order minimum fees will be waived by the card. They do not get deducted from OTC benefit funds.

## **Do I pay sales tax or tax on delivery or shipping charges?**

Applicable orders are subject to state sales tax, which will be covered by your Walmart Wellness Benefits Card. Depending upon the state in which you reside, applicable orders may also be subject to a tax on delivery or shipping charges. This tax will also be covered by your Walmart Wellness Benefits Card.

## **Can I return, exchange or request a refund on products?**

Items purchased with your Walmart Wellness Benefits Card in-store may be returned with a receipt for a refund to your Walmart Wellness Benefits Card or exchanged for the same item. Items may not be returned for cash. Items purchased on Walmart.com will be refunded to the original method of payment. For mail orders: if the product you ordered is not in stock, a product of similar value may be substituted.

## **What if my purchase costs more than my benefit funds?**

If the total is more than your available benefit funds on your Walmart Wellness Benefits Card, you'll need to pay the balance due out of pocket with another payment method. Items will be paid for in the order you've listed them on the form until funds are depleted. If there are insufficient funds to cover all products & applicable tax, the last items will be dropped.

## **What happens if my Walmart Wellness Benefits Card is lost, stolen or damaged?**

To report your card & request a replacement, call toll-free 1-833-316-1113 (TTY: 711) to use the 24/7 automated system. You can also speak with an agent between 6am–9pm CT, 7 days a week, excluding Thanksgiving & Christmas.

## **How do I get a replacement catalog if I've lost it?**

Call 1-833-316-1113 (TTY: 711) during open hours & request a replacement.

## **Still have questions about your Wellness Benefits Card?**

Call Customer Service toll-free at 1-833-316-1113 (TTY: 711) during open hours. For any questions about your other health benefits from your Arkansas Blue Medicare plan, call the toll-free number on the back of your member ID card.
